

HEADPHONES JONES

'HECTIC ZEBRA' EP PRESS RELEASE

'Hectic Zebra' is a four-track exploration through Funk, Soul, Afrobeat and Latin music, featuring big horns, driving rhythms and punchy vocals. The EP was collaboratively written by the band and includes two instrumental and two vocal tracks.

FORMAT: CD / Digital

“I have a soft spot for explorers of funk. I could drift in this for days.”
- Nkechi Anele (Roots 'N' All)

About Headphones Jones: Short Bio + further links

Funk explorers with a mysterious past, HEADPHONES JONES serve up tasty grooves to create infectious energy and a sweaty dance floor. Pack your suitcase for adventure.

Dress loud, dance hard.

“If you like soulful fusion bands like Saskwatch, The Cactus Channel and Cat Empire, you’re sure to fall in love with Headphones Jones.” – Happy Mag
